

RECIPE

CANDY CORN COCKTAIL

2 OZ PINNACLE CAKE VODKA
1/4 CUP CANDY CORN
3 OZ PINEAPPLE JUICE
SPLASH OF HALF AND HALF
SUGAR OR HALLOWEEN SPRINKLE RIM

Directions

Add vodka and candy corn to infuse for 6-12 hours. Strain.

Rim glass with colored sugar. For most effective rim, add corn syrup in shallow dish then dip into sugar in separate shallow dish.

Pour majority of chilled vodka into rimmed martini glass, mix remaining vodka with pineapple juice, splash of half and half, and ice in a shaker and shake vigorously (to create foam), pour over spoon into martini glass to keep layered look. Spoon foam on top for white, fluffy finish.
